

Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
propaganda  
documentary days  
before the election  
is undermining our  
democracy.

This is a corrupt  
decision on their  
part. Our opinions  
don't air on station  
throughout the  
country beacuse we  
don't own the air  
waves. They belong  
to a handfull of  
owners. Is it fair  
that the opinions of  
the Sinclair  
executives are  
allowed to reach  
millions of homes.

Is it fair that  
they can feed the  
people of this  
country propaganda?

This should not be  
allowed in a  
democracy. I hope  
you prevent this  
crisis from  
happening.
